

How to make a withdrawal through the app

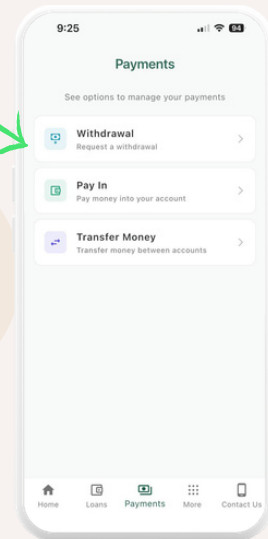

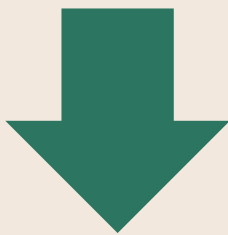

STEP ONE

When you have logged into the app, click the payments button in the middle of the bottom bar.

STEP TWO

The payments screen will load and show the options to make a withdrawal, pay in and transfer money. Click on withdrawal.

STEP THREE

The next screen will show which savings accounts you have and how much you will be able to withdraw from each account.

Select the account you wish to withdraw from and click '**Next**'.

Follow the next steps through to complete the withdrawal.
